Life Changes in an Instant With Lee Woodruff

Author and Contributing Editor at *Good Morning America*

Lee Woodruff knows that life changes in an instant. One minute, you're a successful freelance writer and businesswoman, mother

of four children, and wife of Bob Woodruff, the newly appointed co-anchor of ABC's World News Tonight. The next minute, your life turns upside down when your husband is severely wounded in a roadside bomb attack in Iraq while anchoring a broadcast.

Join us to hear her amazing journey!

FREE FOR PAID-UP NCJW MEMBERS;
